

THE BUTTERFLIES OF NYIKA NATIONAL PARK (revised Nov 2019)

The list was originally compiled by Ivan Bampton and updated by Colin Congdon. It was extensively revised and added to by Mark Williams (Lepidopterists' Society of Africa) in November 2019. Families and subfamilies are arranged according to currently published phylogenetic hypotheses; tribes and subtribes as well as subgenera have been omitted. Under each family/subfamily heading, genera, species and subspecies are arranged alphabetically. Nomenclature follows Williams, M.C. (2019) Afrotropical Butterflies, available at <https://www.lepsocafrika.org/?p=publications&s=atb>

There is a total of 250 species recorded from the Nyika National Park to date, of which 10 are believed to be endemic species or subspecies.

E = endemic to Nyika (non-endemic taxa previously thought to be endemic are indicated)

Family PAPILIONIDAE

<i>Graphium angolanus angolanus</i>	<i>Brachystegia</i> woodland
<i>Graphium polícenes polícenes</i>	forest and <i>Brachystegia</i> woodland
<i>Papilio dardanus tibullus</i>	Chowo Forest, Mwenembwe, evergreen forest to 2350 m
<i>Papilio demodocus demodocus</i>	grassland to 2200 m
E <i>Papilio jacksoni nyika</i>	subsp. endemic to Nyika plateau; Chowo & juniper forest
<i>Papilio mackinmoni isokae</i>	evergreen forest to 2200 m
<i>Papilio nireus lyaeus</i>	forest, woodland
<i>Papilio ophidicephalus mkuwadzi</i>	Chowo Forest, E Nyika
<i>Papilio pelodurus vesper</i>	Zambian Nyika NP
E <i>Papilio thurauai cyclopis</i>	subsp. endemic to Nyika plateau; evergreen forest edge to 2400m

Family HESPERIIDAE

Subfamily Coeliadinae

<i>Coeliades forestan forestan</i>	Chowo Forest
<i>Coeliades sejuncta</i>	based only on sight record by Stewart Fisher

Subfamily Pyrginae

<i>Abantis paradisea</i>	E Nyika
<i>Abantis zambesiaca</i>	E Nyika escarpment
<i>Apallaga biseriata reducta</i>	forest
<i>Calleagris hollandi</i>	E Nyika, montane evergreen forest fringes
<i>Calleagris jamesoni jamesoni</i>	E Nyika
<i>Celaenorhinus zanja malawensis</i>	Nyamkhowa Mt, montane evergreen forest
<i>Eagris sabadius ochreana</i>	Nyamkhowa Mt, Chowo Forest
<i>Eretis djaelaelae</i>	Zambian Nyika NP
<i>Eretis melania</i>	Nyamkhowa Mt
<i>Sarangesa lucidella lucidella</i>	Nyika
<i>Spialia spio</i>	Zambian Nyika NP

Subfamily Heteropterinae

<i>Metisella decipiens</i>	E Nyika
<i>Metisella formosus formosus</i>	E Nyika escarpment
<i>Metisella medea nyika</i>	not Nyika endemic; Kasungu Mt (1890m?)
<i>Metisella orientalis orientalis</i>	Zambian Nyika NP, also E Nyika escarpment
E <i>Metisella perexcellens perexcellens</i>	subsp. endemic to Nyika plateau (Kasungu Mt); E Nyika
<i>Metisella quadrisignatus quadrisignatus</i>	E Nyika

Subfamily Hesperinae

<i>Acleros mackenii mackenii</i>	Zambian Nyika NP
<i>Afrogegenes letterstedti</i>	Zambian Nyika NP, E Nyika escarpment
<i>Ampittia capenas capenas</i>	E Nyika escarpment
<i>Artitropa milleri milleri</i>	
<i>Artitropa reducta</i>	Chisanga Falls
<i>Borbo borbonica borbonica</i>	Chowo Forest
<i>Borbo fallax</i>	Zambian Nyika NP
<i>Borbo micans</i>	E Nyika escarpment
<i>Borbo sirena</i>	Zambian Nyika NP
<i>Chondrolepis niveicornis</i>	wetlands
<i>Chondrolepis telisignata</i>	Nyika
<i>Gorgyra bibulus</i>	Zambian Nyika NP, Nyamkhowa Mt
<i>Gorgyra johnstoni</i>	E Nyika escarpment
<i>Kedestes barberae barberae</i>	Zambian Nyika NP
<i>Kedestes brunneostriga</i>	E Nyika escarpment
<i>Kedestes wallengrenii fenestratus</i>	Zambian Nyika NP, E Nyika
<i>Larsenia gemella</i>	Nyamkhowa Mt
<i>Larsenia perobscura</i>	Nyamkhowa Mt
<i>Parosmodes morantii morantii</i>	Nyamkhowa Mt
<i>Platylesches langa</i>	Zambian Nyika NP
<i>Platylesches picanini</i>	E Nyika escarpment
<i>Platylesches rasta rasta</i>	Nyamkhowa Mt
<i>Platylesches robustus robustus</i>	Nyamkhowa Mt
<i>Semalea arela</i>	E Nyika escarpment
<i>Semalea pulvina</i>	E Nyika escarpment
<i>Zenonia zeno</i>	Zambian Nyika NP, evergreen forest edge (2160m)

Family PIERIDAE**Subfamily Coliadinae**

<i>Catopsilia florella</i>	grassland
<i>Colias electo hecate</i>	grassland to 2600 m
<i>Eurema brigitta brigitta</i>	grassland to 2600 m
<i>Eurema desjardinsii regularis</i>	Kasungu Mt.
<i>Eurema hecabe solifera</i>	Nyamkhowa Mt
<i>Eurema mandarinula</i>	montane grassland & forest

Subfamily Pierinae

<i>Appias sabina phoebe</i>	E Nyika escarpment
<i>Belenois rubrosignata kongwana</i>	E Nyika
<i>Belenois thysa thysa</i>	E Nyika
<i>Belenois zochalia agrippinides</i>	E Nyika escarpment
E <i>Mylothris crawshayi crawshayi</i>	subsp. endemic to Nyika plateau; evergreen forest to 2350m
<i>Mylothris rueppellii rhodesiana</i>	Zambian Nyika NP
<i>Mylothris sagala dentatus</i>	evergreen forest to 2350m
<i>Nepheronia argia mhondana</i>	Chowo Forest

Family LYCAENIDAE**Subfamily Miletinae**

<i>Spalgis lemolea lemolea</i>	Nyamkhowa Mt
--------------------------------	--------------

Subfamily Aphnaeinae

<i>Aloeides conradsi angoniensis</i>	montane grassland
<i>Aloeides griseus</i>	W Nyika
<i>Aloeides molomo handmani</i>	grassland
<i>Aphnaeus marshalli</i>	<i>Brachystegia</i> woodland, Thazima
<i>Aphnaeus mashunae</i>	<i>Brachystegia</i> woodland, Thazima
<i>Axiocerses amanga amanga</i>	<i>Brachystegia</i> woodland
<i>Axiocerses bambana nyika</i>	subsp. endemic to Nyika plateau; W Nyika
<i>Axiocerses karinae</i>	not Nyika endemic; W Nyika
<i>Axiocerses punicea punicea</i>	E Nyika
<i>Axiocerses tjoane tjoane</i>	savanna
<i>Cigaritis homeyeri</i>	Nyamkhowa Mt, E Nyika
<i>Cigaritis mozambica</i>	E & W Nyika
<i>Cigaritis natalensis</i>	Nyamkhowa Mt, W Nyika
<i>Cigaritis victoriae</i>	Nyamkhowa Mt
<i>Lipaphnaeus aderna spindasoides</i>	E Nyika

Subfamily Poritiinae

<i>Alaena reticulata</i>	rocky, wooded hillsides & open montane grassland
--------------------------	--

Subfamily Lycaeninae

<i>Lycaena phlaeas abbottii</i>	throughout Nyika on <i>Rumex</i>
---------------------------------	----------------------------------

Subfamily Theclinae

<i>Capys connexiva connexiva</i>	throughout Nyika on <i>Protea</i>
<i>Deudorix antalus</i>	W Nyika
<i>Deudorix caliginosa</i>	E Nyika
<i>Deudorix ecaudata congdoni</i>	<i>Brachystegia</i> woodland
<i>Deudorix lorisona coffea</i>	E Nyika
<i>Hemiolaus caeculus caeculus</i>	woodland
<i>Hypolycaena auricostalis auricostalis</i>	Nyamkhowa Mt
<i>Hypolycaena pachalica</i>	Nyamkhowa Mt
<i>Hypolycaena philippus philippus</i>	W Nyika
<i>Iolaus congdoni</i>	montane forest, W Nyika
E <i>Iolaus helenae</i>	endemic to Nyika plateau
<i>Iolaus lalos lalos</i>	E Nyika
<i>Iolaus nasisii</i>	woodland & forest edges
<i>Iolaus pamae</i>	woodland
<i>Iolaus sidus</i>	woodland & forest edges
<i>Iolaus silarus silarus</i>	E Nyika
<i>Iolaus stewarti</i>	montane forests
<i>Iolaus violacea</i>	woodland & lower levels
<i>Pilodeudorix cameroni katanga</i>	E Nyika
<i>Pilodeudorix obscurata</i>	<i>Brachystegia</i> woodland, grassy hillsides
<i>Pilodeudorix zeloides</i>	W Nyika
<i>Stugeta bowkeri nyasana</i>	woodland

Subfamily Polyommatainae

<i>Actizera stellata</i>	high Nyika plateau
<i>Anthene anadema</i>	E Nyika
<i>Anthene definita definita</i>	W Nyika
<i>Anthene hobleiy ufipa</i>	W Nyika

<i>Anthene larydas</i>	Nyamkhowa Mt
<i>Anthene lasti lasti</i>	Nyamkhowa Mt
<i>Anthene ligures ligures</i>	E Nyika
<i>Anthene liodes bihe</i>	Nyamkhowa Mt
<i>Anthene princeps</i>	moist savanna & open woodland
<i>Anthene uzungwae</i>	Afromontane forest & forest margins
<i>Azanus mirza</i>	E Nyika
<i>Azanus moriqua</i>	E Nyika
<i>Azanus natalensis</i>	Nyamkhowa Mt
<i>Cacyreus fracta fracta</i>	W Nyika, Nyamkhowa Mt
<i>Cacyreus virilis</i>	W Nyika
<i>Cupidopsis cissus cissus</i>	<i>Brachystegia</i> woodland
<i>Cupidopsis jobates jobates</i>	Nyamkhowa Mt
<i>Eicochrysops eicotrochilus</i>	W Nyika
<i>Eicochrysops messapus mahallakoaena</i>	Nyamkhowa Mt
<i>Euchrysops barkeri</i>	E Nyika
<i>Euchrysops dolorosa</i>	W Nyika
<i>Euchrysops malathana</i>	savanna
<i>Euchrysops unigemmata</i>	W Nyika
<i>Harpendyreus hazelae</i>	wetlands, montane grassland, forest edge
<i>Harpendyreus juno</i>	wetlands, montane grassland, forest edge
<i>Harpendyreus marungensis marungensis</i>	W Nyika
<i>Lampides boeticus</i>	woodland & grassland
<i>Lepidochrysops abyssiniensis loveni</i>	<i>Brachystegia</i> woodland
E <i>Lepidochrysops chalceus</i>	endemic to Nyika plateau; montane grassland
<i>Lepidochrysops desmondi</i>	<i>Brachystegia</i> woodland
E <i>Lepidochrysops handmani</i>	endemic to Nyika plateau; montane grassland
<i>Lepidochrysops intermedia cottrelli</i>	not a Nyika endemic; W Nyika
E <i>Lepidochrysops nyika</i>	endemic to Nyika plateau; W Nyika
<i>Lepidochrysops pampolis</i>	W Nyika
<i>Leptotes jeanneli</i>	W Nyika
<i>Leptotes marginalis</i>	Nyamkhowa Mt
<i>Pseudonacaduba sichela sichela</i>	<i>Brachystegia</i> woodland
<i>Triclema nigeriae</i>	Nyamkhowa Mt
<i>Tuxentius ertli</i>	W Nyika, Nyamkhowa Mt
<i>Uranothauma antinorii felthami</i>	E Nyika
<i>Uranothauma cordatus</i>	W Nyika
<i>Uranothauma crawshayi</i>	high Nyika Plateau
<i>Uranothauma cuneatum</i>	W Nyika, Nyamkhowa Mt
<i>Uranothauma falkensteinii</i>	Nyamkhowa Mt
<i>Uranothauma heritsia virgo</i>	E Nyika
<i>Uranothauma nubifer nubifer</i>	Nyamkhowa Mt
<i>Uranothauma poggei</i>	E Nyika
<i>Uranothauma vansomerani</i>	E Nyika
<i>Uranothauma williamsi</i>	W Nyika
<i>Zizeeria knysna knysna</i>	W Nyika

Family NYMPHALIDAE

Subfamily Danainae

<i>Amauris albimaculata latifascia</i>	E & W Nyika
<i>Amauris echeria serica</i>	all forest areas
<i>Amauris ellioti junia</i>	all forest areas

<i>Danaus chrysippus orientis</i>	grassland, forest edge
Subfamily Limenitidinae	
<i>Bebearia orientis orientis</i>	W Nyika
<i>Cymothoe cottrelli cottrelli</i>	E & W Nyika
<i>Cymothoe zombana</i>	Afromontane forest
<i>Euphaedra zaddachii crawshayi</i>	E Nyika
<i>Euryphura concordia</i>	<i>Brachystegia</i> woodland
<i>Hamanumida daedalus</i>	<i>Brachystegia</i> woodland
<i>Harma theobene superna</i>	E Nyika
<i>Neptis aurivillii aurivillii</i>	Afromontane forest
<i>Neptis incongrua incongrua</i>	forest
<i>Neptis laeta</i>	grassland, forest edge
<i>Neptis melicerta</i>	E Nyika
<i>Pseudacraea deludens amaurina</i>	W Nyika
<i>Pseudacraea lucretia expansa</i>	Nyika
<i>Pseudargynnis hegemone</i>	E Nyika
Subfamily Heliconiinae	
<i>Acraea acara acara</i>	forest & woodland
<i>Acraea acrita acrita</i>	savanna & dense woodland
<i>Acraea aganice montana</i>	E & W Nyika
<i>Acraea caecilia pudora</i>	Nyamkhowa Mt
<i>Acraea caldarena caldarena</i>	<i>Brachystegia</i> woodland
<i>Acraea epaea melina</i>	E Nyika
<i>Acraea insignis insignis</i>	Nyika
<i>Acraea leucopyga</i>	dry woodland & savanna
<i>Acraea lyci</i>	Nyamkhowa, Nyika plateau (Bernaud & Murphy 2014)
<i>Acraea natalica</i>	savanna & <i>Brachystegia</i> woodland
<i>Acraea periphanes</i>	E Nyika
<i>Acraea pudorella</i>	E Nyika
<i>Acraea scalivittata scalivittata</i>	evergreen forest
<i>Issoria smaragdifera smaragdifera</i>	grassland, forest edge
<i>Lachnoptera ayresii</i>	E Nyika
<i>Pardopsis punctatissima</i>	grassland
<i>Phalanta phalantha aethiopica</i>	grassland
<i>Telchinia acuta acuta</i>	W Nyika
<i>Telchinia baxteri baxteri</i>	Afromontane forest
<i>Telchinia cabira</i>	forest
<i>Telchinia goetzei</i>	forest edge
<i>Telchinia johnstoni</i>	E Nyika
E <i>Telchinia parei orangica</i>	subsp. endemic to Nyika plateau; montane grassland bordering forest & woodland
<i>Telchinia pharsalus pharsalus</i>	E Nyika
<i>Telchinia serena</i>	
<i>Telchinia sotikensis sotikensis</i>	forest
<i>Telchinia ventura ventura</i>	W Nyika
Subfamily Biblidinae	
<i>Byblia anvatara acheloia</i>	savanna
<i>Eurytela dryope angulata</i>	forest/savanna ecotone
<i>Eurytela hiarbas lita</i>	W Nyika

<i>Sevenia morantii</i>	E Nyika
<i>Sevenia rosa</i>	E Nyika
Subfamily Cyrestinae	
<i>Cyrestis camillus sublineata</i>	E & W Nyika
Subfamily Nymphalinae	
<i>Antanartia schaeneia dubia</i>	forest edge
<i>Junonia artaxia</i>	<i>Brachystegia</i> woodland
<i>Junonia hierta cebrene</i>	grassland, open woodland
<i>Junonia orithya madagascariensis</i>	open woodland, forest edge grassland
<i>Precis cuama</i>	<i>Brachystegia</i> woodland
<i>Precis octavia sesamus</i>	grassland, forest edge
<i>Precis tugela aurorina</i>	grassland, forest edge
<i>Vanessa cardui</i>	grassland
<i>Vanessa dimorphica dimorphica</i>	forest edge
Subfamily Charaxinae	
<i>Charaxes achaemenes achaemenes</i>	W Nyika, <i>Brachystegia</i> woodland
<i>Charaxes acuminatus nyika</i>	all forest areas
<i>Charaxes ansorgei levicki</i>	E & W Nyika
<i>Charaxes aubyni australis</i>	E Nyika, Nyamkhowa Mt
<i>Charaxes baumanni whytei</i>	E Nyika
<i>Charaxes bohemani bohemani</i>	E Nyika
<i>Charaxes brutus natalensis</i>	Nyika
<i>Charaxes candiopa</i>	W Nyika, Nyamkhowa Mt
<i>Charaxes dilutus dilutus</i>	W Nyika, Nyamkhowa Mt
E <i>Charaxes dowsetti</i>	Nyika endemic; high mountain forest on plateau, Nyamkhowa Mt
<i>Charaxes druceanus proximans</i>	W Nyika
<i>Charaxes eupale veneris</i>	
<i>Charaxes guderiana guderiana</i>	W Nyika, <i>Brachystegia</i> woodland
<i>Charaxes macclounii macclounii</i>	E Nyika
<i>Charaxes nyikensis</i>	not a Nyika endemic; E & W Nyika, Nyamkhowa Mt
<i>Charaxes pollux geminus</i>	W Nyika
<i>Charaxes varanes vologeses</i>	W Nyika
<i>Charaxes violetta melloni</i>	E Nyika
<i>Charaxes xiphares ludovici</i>	all forest areas
Subfamily Satyrinae	
<i>Aphysoneura pigmentaria latilimba</i>	forest edge
<i>Bicyclus anynana anynana</i>	E Nyika
<i>Bicyclus campina campina</i>	E Nyika
<i>Bicyclus danckelmani</i>	W Nyika
<i>Bicyclus simulacris simulacris</i>	Nyika
<i>Brakefieldia ubenica ubenica</i>	W Nyika, Nyamkhowa Mt
<i>Melanitis leda</i>	forest & dense woodland
<i>Neita extensa</i>	Nyamkhowa Mt
<i>Neocoenyra gregorii</i>	Nyamkhowa Mt
<i>Neocoenyra paralellopupillata</i>	Nyamkhowa Mt
<i>Ypthimomorpha itonia</i>	E Nyika

Images of the male and female of *Lepidochrysops chalceus*, which is endemic to Nyika N.P.
