

NYIKA–VWAZA BIBLIOGRAPHY – version 5, June 2020

The bibliography comprises the more significant publications and reports concerning the Nyika National Park and Vwaza Marsh Wildlife Reserve in northern Malawi. The principal subject matter covered in each entry is indicated in the keywords. A more complete listing of publications and reports is available from the Trust Secretary secretary@nyika-vwaza-trust.org.

The Trust has a number of these references in our library, primarily in pdf. Copies can be obtained on request from the Secretary.

We would be grateful to hear of any other relevant publications on the area missing from this listing, which will be incorporated into a future version.

Key words:

history
geography [incl. geomorphology, soils]
botany [incl. vegetation, floras]
zoology-inverts [invertebrates only]
zoology-verts [birds, herps, mammals]
management [incl. policy, mgmt plans, local/regional planning, conservation actions]
natural resources [incl. surveys, use of natural resources, exploitation]
vwaza [substantially or significant part refers to Vwaza Marsh]
